RECOMMENDATION LETTER

Dear English Academy Varna,

We would like to thank you for your excellent corporate course.

The business workshop "English 3 in 1" was very useful and interesting and we were left with a lot of practical instruments to use in our everyday work.

With your vast knowledge, enthusiasm, attitude and organization, you made the training a pleasure to attend.

Thank you for sharing your experience and proficiency with us. We now have more fluent, professional and motivated sounding staff, demonstrating more effective communication and presentation skills.

With your friendly attitude you were able to make us feel comfortable and made sure everyone was involved.

Adastra Bulgaria considerably appreciated your professional approach and strongly recommends English Academy Varna to anyone looking for a quality corporate language training.

We look forward to studying with you in the future.

Yours sincerely,

.....
